

Revisions to the Annual Report

- Mission of the Board
- Message from the Board President
- Message from the Executive Administrator
- History for events that occurred during the fiscal year the report covers (all other history will be archived on our website for easy access)
- Facelift for format of the annual report – use more graphs, etc instead of data only being listed
- Include a section for each division in the agency (would include their data, etc):
 - Administration
 - Licensing
 - Education
 - Continuing Education
 - Investigative
 - Discipline
 - Information Technology
- Include board's response to COVID-19 in FY 21
- Include overview of Executive Orders and HB 2016
- Bring FY 20 Annual report for the Board for approval in June 2021, then posted on our website
- FY 21 Annual report to the Board for approval in September 2021, then posted on our website
- Goal is to have annual report available on our website after the Board reviews at the September meeting (will not be held for the calendar year official NCLEX pass rates)
- Some of the specific raw data not utilized in our annual report can be available on our website
- Include an overview of the budget for the fiscal year the report covers
- Include performance metrics of the agency that are reported in our annual budget request
